

NATIONAL PARK · COSTA RICA · PUNTARENAS, OSA PENINSULA

Corcovado

at a glance

41,788 hectares of rainforest, lagoons and beach on the Osa Peninsula – entered only with a licensed guide.

BEFORE YOU GO

41,788 hectares

That is the area the park protects, according to the ICT: shallow lagoons, marshes, mangroves, rivers, rainforest and low-altitude cloud ...

Guide required

"It is mandatory to enter with an authorized guide", the ICT says. You may not enter on your own; the checked tours below include the guide.

By boat

According to the ICT, boats leave from Golfito, Puerto Jiménez, Sierpe, Drake Bay and Bahía Uvita; depending on the starting point the trip ...

Sirena closed in October

Sirena station is closed for the whole of October, according to the ICT – because of heavy rain and for maintenance.

A licensed guide is mandatory

According to the ICT, you may only enter the park with a licensed guide. This applies to day visits as well as to several days.

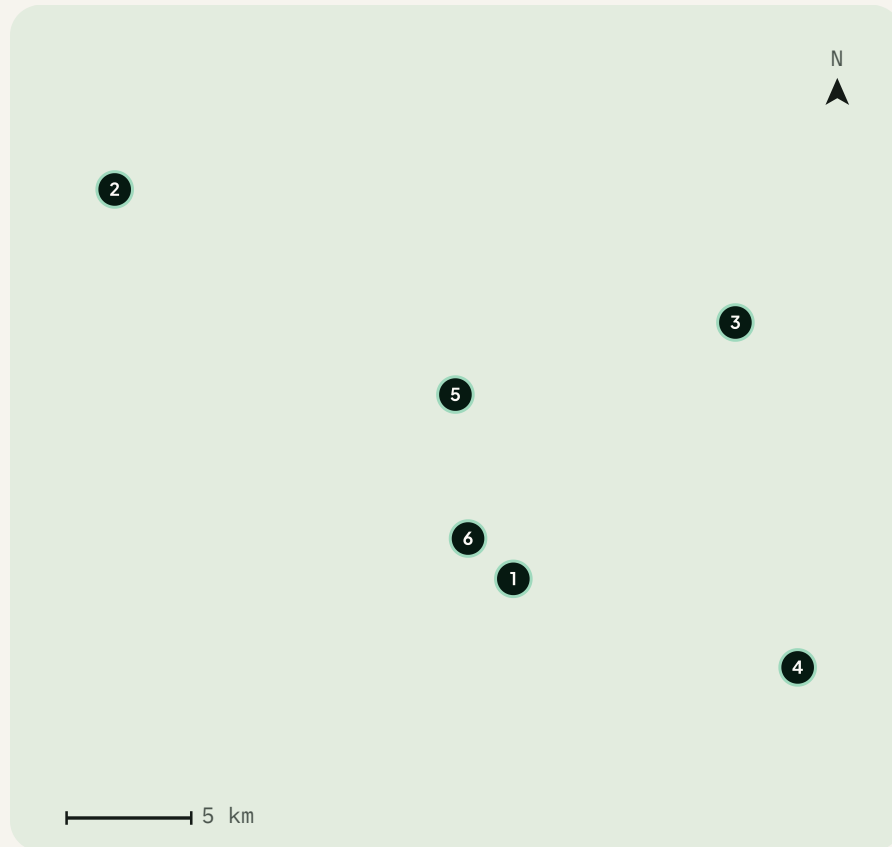

Tickets are personal

The ticket is issued in your name with your ID number and cannot be transferred to someone else; bring your ID.
