BEFORE YOU GO

Keep an eye on the rebuild

Before your trip, check the official "What's open" overview. It separates facilities you can use from areas still closed after the wildfire.

Admission and tours are separate

Park pass, camping and commercial tours are different services. Which of them your tour ticket includes is stated by each provider.

Icefields Parkway

The link to Lake Louise and Banff is the Icefields Parkway. Gradients, slow traffic and weather mean you need plenty of time for this leg.

Check the trail status first

Maligne Canyon is currently listed as closed in the trail table. Don't plan on it based only on older travel reports.

Wheelchairs and camping

Whistlers offers designated accessible sites and an oTENTik.

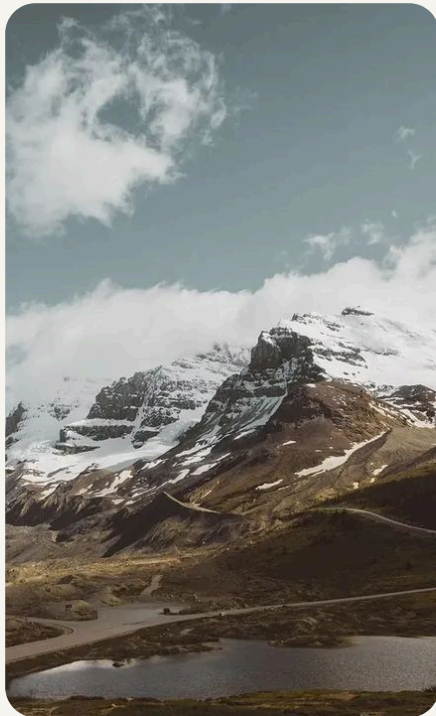

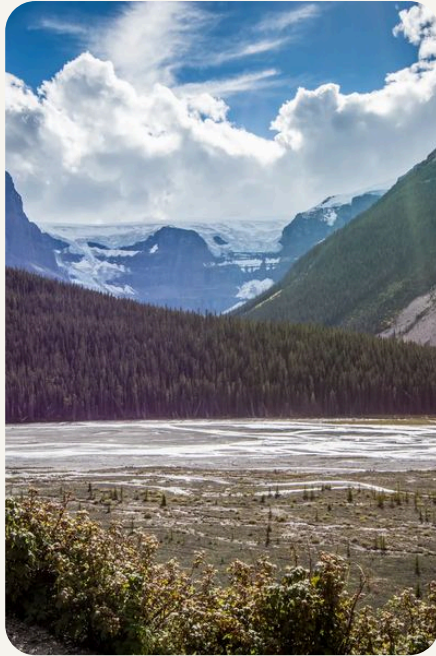

Dogs: check the specific trail

The park table allows dogs on the Lake Annette Loop and the Mary Schäffer Loop; they are not allowed at Opal Hills and Bald Hills.

Fees and opening hours, up to date

Fees and times change. The park page lists them with source and date:
