BEFORE YOU GO

Several sites

The all-sites ticket covers the park's accessible sites on land.

Boat or bus

The Skradin–Skradinski buk boat and the bus from Lozovac are included in the ticket from 1 April to 31 October.

Via Skradin

Skradinski buk can be reached on the footpath and cycle path or by the seasonal park boat.

April to October

The boat from Skradin and the bus from Lozovac, both included in the ticket, are seasonal.

With a dog

Allowed on a lead, except on Visovac Island.

On a boat excursion

On an excursion you are expected to return on the same boat. If you have particular mobility needs, contact the operator in advance.

Seven waterfalls along 72.5 kilometres

Including its drowned estuary, the Krka is 72.5 km (45 mi) long. It rises 3.5 km (2.2 mi) north-east of Knin at the foot of Dinara and descends a total of 224 m (735 ft) over seven waterfalls.

Fresh water first, then the sea

For the first 49 km (30 mi) the Krka's water is completely fresh; over the last 23.5 km (14.6 mi) the influence of the sea can be felt.
