BEFORE YOU GO

**Three entrances**

The park authority names Pomena, Polače and Vrbovica as the entrances to the park.

**Reach the island first**

The ferry to Sobra gets you to the island, not to the park: the national park lies at the western end of Mljet.

**Ferry to Sobra**

The ferry from Prapratno takes you to Mljet. From Sobra you still have to travel on to the park in the west of the island.

**Winter half of the year**

From November to April, arrange your visit with the park authority in advance.

**Staying longer**

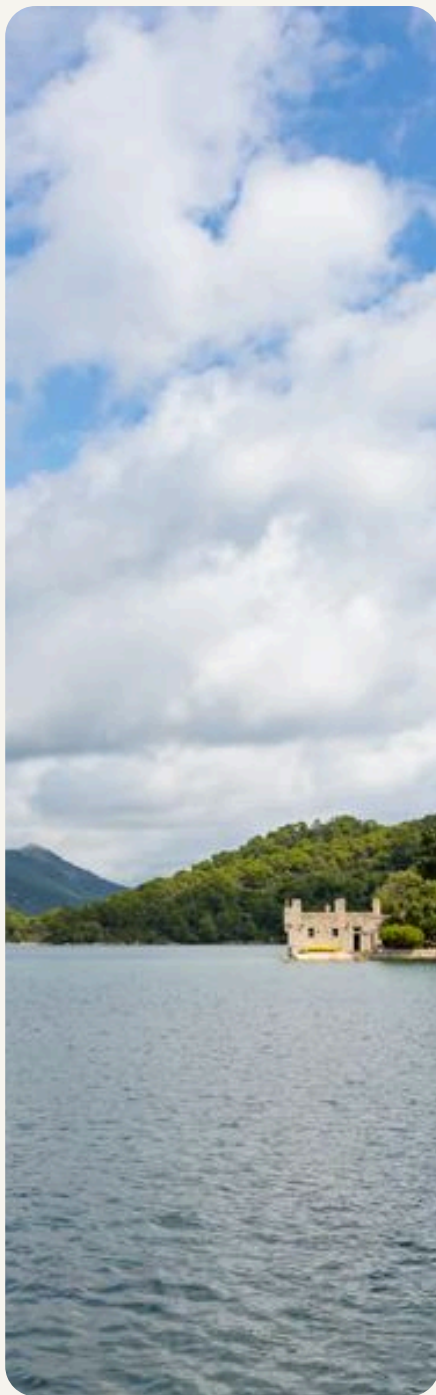

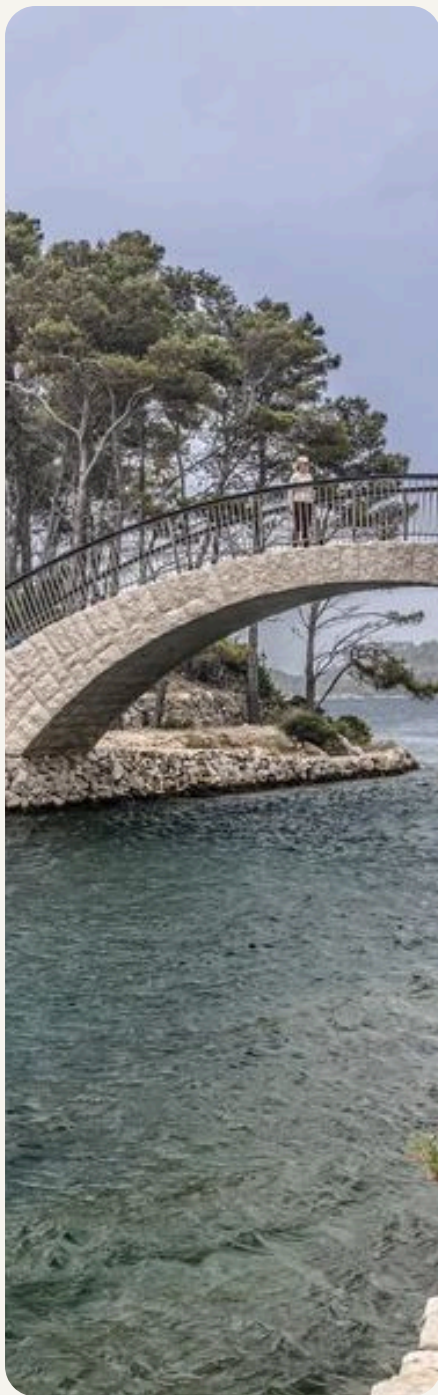

With proof of your stay, a personal visitor ticket can be valid for up to seven days. Check the conditions in the original.
