recorded species

BEFORE YOU GO

**Two days included**

The entrance ticket is valid on two days.

**Forest or spring**

Leska starts at Crni Lug; the Kupa spring has other access points.

**Crni Lug**

Starting point for Leska, near the park administration.

**Leska through the year**

The nature trail is described as open all year; whether it is actually walkable depends on the conditions.

**With children**

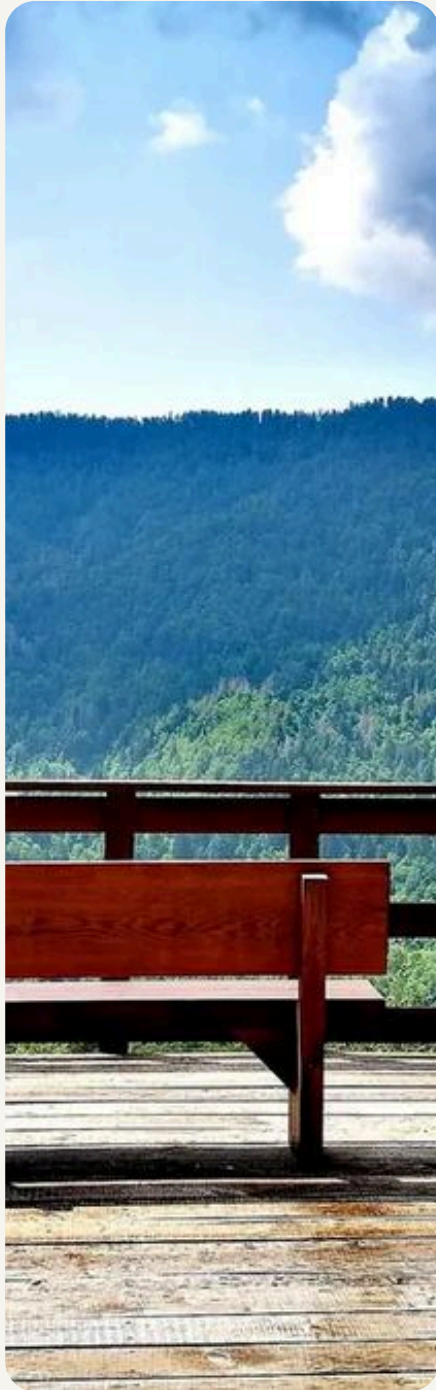

Leska offers nature information on a 4.2 km (2.6 mi) loop. The length must suit your group.

**Wheelchair, pushchair & dog**

There is no sufficiently specific confirmation for these needs yet. Check the route and rules with the park in advance.

**Fees and opening hours, up to date**

Fees and times change. The park page lists them with source and date:
nationalparksatlas.com/en/croatia/risnjak

THINGS TO DO

Leska nature trail

4.2 km (2.6 mi) · loop

Climate divide between coast and inland

The park authority describes Risnjak as a strong climate and vegetation barrier between the coastal and ...

Corridor for bear, wolf and lynx

As a natural link between the Alps and the Dinarides, the area is an important ecological corridor for large ...

[More on the park page](#)

Kupa spring from Razloge

Descent to the spring

Sinkhole vegetation

According to the park authority, the vegetation of karst sinkholes is at its finest here.
